

European Regions  
Research and Innovation Network

**ERRIN**

# ERRIN:

# Innovating Europe's Regions

Jonas Bylund

Director

Brussels, 14 February 2008

# Why ERRIN?

- ERRIN is a European Network of 58 regional actors who want to further engage their regional practitioners in European Research & Innovation projects, programmes and policies.
- Mission: Contributing to sustainable regional development by fostering research and innovation within member regions and by building innovation capacities in order to enhance regional potential.

# ERRIN objectives

- Knowledge Sharing at the European Level

- Inter-regional exchanges

- Practitioner Development

- Policy and Thematic Development

- Working with other Networks and Organisations

# ERRIN Tools

- **Website** – [www.errin.eu](http://www.errin.eu) with a calendar of events, reports from seminars, funding updates, partner searches, news, etc.
- **ERRIN Events** – market places, working group meetings, briefing sessions, annual general event, etc.
- **Thematic Working Groups** – 7 domains
- **The Secretariat & Management Board**
